Monarch Coins and Security Co.

Bob,

I just wanted to let you know we have been very happy with the Monarch Power Washer that you set up for us on our Wash Rack at Rivertowne Marina in Cincinnati Ohio. Even though there are hoses and water at the Wash Rack at no charge to the customers, they appreciate having a Power Washer right there and don't mind feeding quarters and tokens in it. It has turned out to be another amenity at our Marina that brings the Boaters.

Thanks Again,

Dan Henson
Operations Manager
Rivertowne Marina
